

About Me

Hi! My name is Kaitlyn Christ and this is my third and final year being involved in Iowa State's Dance Marathon program. Dance Marathon has been one of my favorite parts of my college experience, and I feel so grateful to be a part of something bigger than myself. After spending the last two years on the families committee, I am so excited to spend my last year on the executive team serving as a Family Relations Co-Director. Within this position, I oversee and coordinate our 36 miracle families and families committee and plan fun events for the families to enjoy! I feel so grateful to gain leadership experience while working directly with the kiddos, seeing first hand why the funds raised for Dance Marathon are so important!

ISU Dance Marathon

Our mission at ISU DM is to raise funds and awareness to support children and their families who are fighting life-threatening diseases and illnesses at The University of Iowa Stead Family Children's Hospital. All of our fundraising during the year leads up to the Big Event on February 15th, 2025! This day is spent fundraising, listening to our miracle family stories, and celebrating the money we raised for the kiddos!

Believe in Better

Our campaign this year is Believe in Better. I pledge to Believe in Better by supporting our miracle families and promising to never stop fighting with them while also keeping them at the center of everything Dance Marathon does. And with your help, you can Believe in Better too and truly make a difference in the lives of our miracle families. Your donation is tax-deductible and any amount helps make miracles happen! You can click the "Donate" button at the top of this page to make a safe and easy online donation.

Thank you SO much for supporting me! Together, we can truly
make a difference in kids' health!

Milestones

Next Milestone

\$300 \$300!!

Upcoming Milestones

\$400 \$400!!

\$500 HALF WAY THERE!!!!
